DETAILED ACTION

This Office action is responsive to communication received 01/08/2008 – Amendment.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 10, 12-15 and 17-21 are allowable over the prior art references of record because it would not have been obvious to modify any of the prior art devices of record to include a lane plate and a whirling top, in combination, wherein the lane plate includes a globe head and globe shell that cooperatively interact to provide a tilting and setting function, as specifically set forth in independent claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
